

You can “Be a Rescuer”!

The City Rescue Mission is a faith-based ministry that relies on God to meet needs through the faithful contributions of our supporters. All services we provide are made possible through the donations of individuals, organizations, churches, and businesses who desire to make a difference in Michigan’s capital area.

Volunteer opportunities are also available for individuals and small groups.

For more information on the Mission’s services or to know how you too can help us help others, email info@lcrm.org or call 517.485.0145.
